ALL YOUR FILES HAVE BEEN ENCRYPTED BY "VICE SOCIETY"

All your important documents, photos, databases were stolen and encrypted.

If you don't contact us in 7 days we will upload your files to darknet.

The only method of recovering files is to purchase an unique private key.
We are the only who can give you tool to recover your files. 🔍

To prove that we have the key and it works you can send us 2 files and we will decrypt it for free (not more than 2 MB each).

Attention!

- * Do not rename encrypted files.
- * Do not try to decrypt your data using third party software, it may cause permanent data loss.
- * Decryption of your files with the help of third parties may cause increased price (they add their fee to ours) or you can become a victim of a scam.
